

For kids with foreign roots...

# Let's have fun learning at "Sasayuri Support Class"!!

I want to be able to understand more during class!

I want to graduate and go to high school!

Time : Every Saturday **2.00pm ~ 4.00pm**

Place : IGASHI SOUGOU FUKUSHI KAIKAN 2F (Igashi Hirano Yamanoshita 380-5)

Contents : Support classes for Elementary and Junior High School students

(Volunteer teachers teach in Japanese)

Cost : 200 yen per lesson (includes photocopies and handouts)

To Apply : You must be in 3<sup>rd</sup> grade of Elementary School or above. Fill in the application form and do either of the following:

- ① Deliver it to the Iga International Friendship Association in Tabunka Kyousei center, or
- ② Bring it with you to class.

Misc. : If you have any questions, please contact Iga International Friendship Association on (22-9629)

From the parents of current students:

- ☆ I want to be able to help my children here at home, but it's hard for a parent who doesn't understand all the difficult vocabulary used in Japanese and Social Science classes. My child has been going to these support classes since September, and their grades in Japanese have improved.  
(Parent of a 2<sup>nd</sup> grade Junior High School student)
- ☆ As my child progressed to the higher grades in Elementary School, the work got more difficult, and I began to sense that they were not as interested in studying like before. After starting to attend the support classes, they have started to study more at home, perhaps because they now understand more difficult kanji.  
(Parent of a 6<sup>th</sup> grade Elementary School student)
